CUSTOM UPHOLSTERED SEATING

"being unique is better than being perfect"

Our customizable upholstery lines allows you to create an area that not only meets all your seating needs but allows your style to shine.

Most frames come in sofa, love, chair and various sectional options.

With over 200 fabric/pillow options and 100+ leathers, you can create a statement piece as unique as you are. Approximate lead time on custom orders is 8-16 weeks.

Custom upholstered items are only one of the many seating options we have available. We also have in stock reclining, stationary and accent chairs in our store. Our in stock selection changes often so come in to see what's new and test drive all our seating options.
